RECEIVED
OCT 24 2000
TECH CENTER 2700

Sir:

In response to the Office Action of July 19, 2000 entry of the attached request for continued examination and the following amendment is requested.

IN THE SPECIFICATION

Column 1, rewrite the last full paragraph as follows:

A/The present invention has been accomplished to provide a transmitter-receiver system which eliminates the afore said problems. AC

It is one object of the present invention to provide a transmitter-receiver system which can be installed in the amplifier and speakers of an audio equipment so that the sound signal of the amplifier can be transmitted to the speakers for output wirelessly. AC
